

## Welcome!

Dear Prospective Student Ministries Volunteer,

Thank you for considering serving in the Student Ministries at Impact Community Church. Hopefully you will find this packet both informative and helpful in your decision regarding youth ministry.

Enclosed in this packet is the following:

- Steps to Becoming a Student Ministries Volunteer
- Department of Justice Live Scan Packet
- Student Ministries Volunteer Application
- Student Ministries Volunteer Leadership Commitment
- Student Ministries Volunteer Policies
- Student Ministries Volunteer Reference Letter (2 Copies)
- Ministry Resources Questionnaire

We feel very strongly that the student ministry is not only a valid ministry of the church, it is vital. God cares for and has a deep love for students. It is on this premise that we feel called to do so as well. The teen years can be some of the most tumultuous and exciting of one's life. Because of this, there are some very tangible ways to meet some of the unique needs that students have. Due to the important role that our adult leaders play, we have set up a short process for prospective leaders to complete. This is beneficial to both you and the ministry.

Feel free to look through this material at your own pace and to ask any questions that you may have. As you may find out, I love to talk about students and ministry.

I look forward to getting to know you better should the Lord continue to lead you in our direction.

A handwritten signature in black ink, appearing to read 'Josh Christian'.

## Steps to becoming a Student Ministries Volunteer

### Step 1: Express Interest

If you have received this packet, then you probably have already completed this step! You may be surprised to find out who God calls and uses to make a difference in the lives of students. Some of the “most unlikely” people make the best youth leaders. I encourage you to pray throughout this process for God’s leading and direction.

### Step 2: Initial Contact

We would just like to hear of your desire to be involved in student ministry. This will be just a brief meeting with the Student Ministries Pastor.

### Step 3: Visit Us

“A picture is worth a thousand words.” (Or in this case, a visit.) Seeing the ministry first hand is when you really get a flavor for what happens on a regular basis in our ministry. So we don’t blindside you, plan on feeling like a new person when you first “check us out.” Everyone experiences the awkwardness of being new; don’t let that cause you to shy away!

### Step 4: Complete the Staff Application Packet

We strive for excellence in ministering to students and believe that this rises and falls on leadership. As part of our screening process, we require the completion of the Staff Application Packet. This includes the Volunteer Youth Staff Application, two Volunteer Youth Staff Reference Letters, Volunteer Youth Staff Commitment, and Department of Justice fingerprinting. When completed, please return the forms to the Student Ministries Pastor.

### Step 5: Interview with the Student Ministries Pastor

This is a time to discuss in more detail your specific role and how to best use your gifts, personality, and abilities. It will also be a chance to ask any questions that you may have. Please bring your Volunteer Youth Staff Commitment sheet.

### Step 6: One month checkup

This is just an informal time to see how things are going for you as a new leader.

## Department of Justice "Live Scan" Process

In a continued effort to protect our students, we require that each Student Ministries Volunteer be screened through the Department of Justice's Live Scan fingerprinting. You will be responsible for taking the necessary steps to complete this process, including filling out the Request for Live Scan Service form, taking it to an appropriate facility and paying a small service fee up front. Once the process has been completed and you return a copy of the Live Scan form to us, you will be reimbursed the scan fee. Please follow the steps below to complete the Live Scan process.

### **Step 1: Complete "Request for Live Scan Service" Form**

- Only complete highlighted areas. Please use blue or black ink and ensure that both bottom copies are legible.

### **Step 2: Find nearest Live Scan facility**

- Use the enclosed list to find the nearest facility where you may complete the Live Scan. Be sure to take your "Request for Live Scan Service" form with you!

### **Step 3: Attach signed and approved Expense Reimbursement Form to "Request for Live Scan Service" Form**

- To be reimbursed for your Live Scan fee, complete an Expense Reimbursement Form, have it signed by Josh Christian, and attach it to the Live Scan form.

### **Step 4: Return a copy of "Request for Live Scan Service" Form to Impact**

- Please return second copy of the Live Scan form (with reimbursement request attached) to Chris Pitts at Impact Community Church **within 48 hours** of having the Live Scan completed.

### **Step 5: You're DONE!**

## Student Ministries Volunteer Policies

Because Student Ministry volunteers have such a vital and influential role in the lives of students, we require them to live God honoring, moral and above reproach lives in and out of ministry contact with students. These policies are in place to protect both the staff member and the student:

1. Volunteers must be a believer in Jesus Christ whose love and service for Him is seen in the Holy Spirit's work in their life through evidence of the Fruit of the Spirit mentioned in Galatians 5.
2. Volunteers must be of an age not less than one full year out of high school.
3. Volunteers must be committed to attending, not only the Student Ministries events and meetings, but Impact Community Church weekend worship as well.
4. Volunteers must exemplify a God-honoring, moral and above reproach lifestyle while at church, work, home & online. This includes conduct in any online activity or personal pages such as blogs, forums, social networks, etc.
5. Volunteers are not allowed to be alone with a student of the opposite gender. This includes, but is not limited to, driving in the car or meeting at an offsite location.
6. Volunteers should not make a habit of spending "non-ministry" time with students of the opposite gender outside of church events & meetings.
7. Volunteers are not allowed to counsel a student of the opposite gender for more than one meeting. *NOTE: During that meeting the staff member must meet in a place that is open and in plain site to the public or they must leave the door open when meeting in an office or room and have an additional adult Staff member nearby.*
8. Volunteers are not allowed to be romantically involved with any High School or Junior High student regardless of age, location or approval from family.
9. Volunteers are required to notify the Student Ministries Pastor immediately if they become aware of or suspect any form of physical or sexual abuse of a student.

## Student Ministries Volunteer Leadership Commitment

- I acknowledge the lordship of Jesus Christ in my life and confirm I have accepted Him as my personal Savior and have a personal relationship with Him.
- I am committed to work on my own personal walk with Jesus in a deliberate and substantial way, including practicing the H.A.B.I.T.S. and active participation in church.
- I have read and agree with the doctrinal statement of Impact Community Church.
- I understand and agree with the vision and mission of Impact Community Church and commit to help fulfill them and care for the students God brings into my ministry.
- I have read and agree to comply with the Student Ministries Volunteer Policies.
- I am committed to setting an example for students by living an "above reproach" lifestyle and avoiding behaviors that might be permissible, but could cause others to stumble.
